Dear Mr. Shinners:

Counsel for the Employer, Caravan Knight Facilities Management, pursuant to Section 102.46 of the Rules and Regulations of the National Labor Relations Board, requests an extension of time to file its answering brief to the exceptions in the above-captioned matter.

On April 3, 2013, ALJ Rosas issued his decision in the above matter. Exceptions were originally due on May 1, 2013. On April 18, 2013, Counsel for the Acting General Counsel requested and received a 30 day extension from the May 1 deadline to file exceptions or until May 31, 2013. Counsel for the Acting General Counsel sought the position of both counsel for Respondent Unions and the undersigned counsel for Respondent Employer. Neither contested the request for the extension.

Now, the undersigned counsel has a press of business, due in part to the recent departure of two attorneys from his office and requests that an extension of an additional 30 days from the June 14 due date be granted to file its answering brief in this matter and that Respondent Employer have until July 15, 2013 to file its answering brief.

On June 3, 2013, Respondent Union informed the undersigned that she they had no objections to the extension of time sought. In fact, Ms. Brault concurred in the extension, indicating that she too was extremely busy and was in need of additional time to respond on behalf of Respondent Union and that an extension of 30 extra days would be satisfactory for her as well.

On June 3, 2013, Counsel for General Counsel informed the undersigned that he had no objections to a 16 day extension of time to file its answering brief.
